**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I currently have DSL at my house. My wife works remote and she counts on that Sonic service that is provided to us everyday. I am not sure when a fiber service will be available in our area so we are really counting on the availability of Sonic DSL. We need to keep the DSL services competitive with all ISP's and not have one service provider having an advantage over all others especially the smaller ISP's. Please, please keep our internet availability competitive.
